RESCUE iD

BE READY WHEN IT MATTERS MOST.

PROTECT YOURSELF AND LOVED ONES WITH RESCUE ID

RESCUE ID gives people greater control and instant notification in an emergency.

- Information can be managed in a single group account
- Multiple IDs can be connected to one person
- Only emergency-relevant data is displayed, with extra protection for minors
- Auto-deletes from responder's device within 2 hours
- Emergency contacts are alerted fast by text
- Responders get consistent, relevant info instantly — no guessing when seconds count
